Learn more about when and how to erase. All you need is a connection to the Internet. If a wireless network is available, you can choose it from the Wi-Fi menu, which is also available in macOS Recovery. macOS Recovery makes it easy to reinstall the Mac operating system, even if you need to erase your startup disk first. Command (⌘)-R Reinstall the latest macOS that was installed on your Mac (recommended). Release the keys when you see an Apple logo, spinning globe, or other startup screen. Your Mac also needs at least 2GB of memory and 8 GB of available storage space. e828bfe731 [Toast 11 Mac Download](#)
